SLS Business Services (Pty) Ltd (“SLS”) is a consultancy firm wholly owned and managed by likeminded historically disadvantaged individuals. The firm’s aim is to address the dire need for more South African people and Companies to play an active role in the economic and social renaissance of this splendid country by providing tailor made business solutions that ignites and promotes sustainable business growth.

Vision

We are an effective partner in the economic renaissance of South Africa.

Mission

Our mission is to help bring about greater economic growth of this magnificent Country by encouraging new business development and encouraging existing business growth through effective hands on and tailor made business planning and management solutions.

Core Beliefs

We believe that economic and social challenges faced by our continent can best solved by ordinary people through carefully structured and then executed entrepreneurial initiatives. We believe that if we teach people how to build effective businesses that they help others to do the same. We live by a patriotic code that has at its core the belief that our country is the sum of its people and without its people our country is nothing.

Core Strategy / motto / mantra

Sharp, out of the box thinking to build a sustainable business legacy.

Perfect Business Solutions

Our Consultation portfolio spans across services such as Quality Service Management, Performance Management, Business Planning, Business Process, Re-Engineering and Mapping, Marketing Planning and Management Accounting to Small, Medium and Large Enterprises. We specialize in Planning, Drafting and writing of Business Plans, Business Profiles, Business Proposals, Marketing Collateral Development, B-BBEE Verification advice and collating and assist in the negotiation of Service Level agreements where necessary

Business Registration

We register all forms of Companies. We assist in the conversions of Closed Corporations to Companies.

Accounting Services

We partner business with Accounting firms to provide all the necessary accounting services for Small, Medium and Macro Enterprises.

Tax Services

We partner business with Tax and Vat registration experts that can assist with Tax returns (IT12 and IT14), Registrations for UIF and (SDL) Skills Development Levies.

Consultancy

Our specialized consultants work with clients to tackle challenges in Transactions and Restructuring Performance, Quality Service Management, Business Planning, Business Process, Re Engineering and Mapping and Risk and Compliance.

Employment Practices Assessment Program

The main aim of this intervention is to align these with the various labour relations acts. Doing so minimises the risk of unnecessary and time wasteful litigation often the result of poor employment practices and processes. Good employment practices enable employee trust and encourage employee support of your organisational objectives.

Marketing Services

We do marketing plans, strategy and campaign relevant for your business for the right market at the time.

Our Team

Susan E Sharp (Managing Director)

Susan is working towards completing her qualification as a CIS Professional. Susan currently is resident Company Secretaries Manager at a leading accounting and auditing firm in the East Rand of Gauteng. Susan has had hands on experience in business development for a series of firms in Gauteng including BIDVest's Chipkins Catering Services. Susan's passion for development initiatives were sharpened in her role as Senior Manager: Training and Administration for South African Airways where she completed the highly demanding and intensive development programme geared at empowering women in business viz Women in Aviation. Since then Susan has found immeasurable satisfaction in imparting her skills to other women in business.

Linley Sharp (General Manager)

Linley has been a hands on Executive in charge of the award winning in-flight service delivery of an International Airline, has been involved in Service Quality at the Disney Institute and has been acquired extensive knowledge and expertise in performance management systems from various organizations including Development Dimensions International (A USA based Company) and Deloitte and Touches ` Human Capital Corporation. Linley has worked at a senior level for a prominent Trade Union and is a qualified Aircraft Electrician, being the second black person to qualify in this trade in history of South Africa. Throughout his career Linley has acquired broad knowledge of IT systems with particular interest in Cold Fusion Website development, LAN/WAN Networks and HTMLEXE Software.

SLS also has partnership agreements with other business associates to help deliver exceptional services at all times.
